1 HITCH MOUNTED FOLD DOWN BIKE CARRIER

Carries two bikes with horizontal style top tubes. Carrier mounts or dismounts quickly on a receiver type hitch. Fold down feature eases loading of bikes and allows trunk access without removing bikes. Carrying clamps have foam inserts to protect bike surface. Includes cable for locking to carrier.

2 CLASS I RECEIVER HITCH*

Receiver Hitch is custom designed not to protrude beyond bumper/fascia. For towing needs up to 2,000 pounds. Draw bar included. Trailer wiring adapter available.

*Check Owner's Manual for Hitch type, load capacity and heavy duty equipment required. Do not exceed rated tow capacity of vehicle as equipped. Trailer may require items not supplied by Mopar.

Hi. If you want exceptional quality in vehicle accessories, there's only one choice — authentic Mopar Accessories.

That's because with Mopar Accessories, you receive a product that's been designed and tested to meet high standards for fit, performance, durability and good looks. And more importantly, they haven't been made for every vehicle on the market ... but exclusively for your new Plymouth Neon.

3 FRONT END COVER WITH BUG SCREEN

Helps protect your Neon from damage caused by gravel, insects and road debris. Black vinyl material is shaped to fit vehicle's panels. Two piece construction allows hood to be opened when installed. Bug Screen covers grille area for added protection. Includes Silver embroidered Neon logo.

4 ROOF RACKS

Two styles of racks are available — Permanent Mount Style (shown right) with sleek, aerodynamic styling enhances the sporty appeal of Neon. Two slotted Black galvanized steel preset crossbars are attached to molded side rails and accommodate Mopar Bike and Ski Carriers. Multipurpose Style (shown above) features two low profile aluminum tracks permanently mounted with hidden fasteners. Removable Black anodized aluminum crossbars are slotted to accommodate both Bike Carriers and a Modular Ski Carrier. Easily removed and stored using special tools provided.

5 MODULAR STYLE SKI CARRIER

Carries two pairs of skis in separate modules and has locks incorporated in each module. Unique installation tools provide added security against theft. Attaches easily to Multipurpose Roof Rack. Blue Mopar Nylon Ski Bag with shoulder strap also available.

6 HORIZONTAL STYLE SKI CARRIER (Shown On Cover)

Carries up to four pairs of skis. Attaches easily without tools to Mopar Permanent Mount Roof Rack. Locks incorporated for extra security.

7 BIKE CARRIERS

Two styles of carriers are available. *Fork Mount* carries one bike securely by rear tire and front fork. Carrier for front wheel included. *Upright Style* carries one bike with tires installed. Carrying clamps have rubber inserts to protect bike surface. Two carriers of either style may be attached to a Multipurpose or Permanent Mount Style Rack at the same time. Both styles include unique installation tools to provide added security.

4 7 8 9 11 13

8 FIVE SPOKE WHEEL COVERS

These 14 inch aluminum Wheel Covers are Silver toned, lightweight and ultra tough. High luster finish is impervious to stones and road salt. Unique twist-lock mounting ring helps hold the cover to the wheel securely. Set of four.

9 MOLDED SPLASH GUARDS

Aerostyle Molded Splash Guards are custom contoured to Neon body panels for stylish, functional appeal and maximum protection against gravel, salt and other road debris.

10 FLAT SPLASH GUARDS

Tough and sturdy protection against gravel, salt and other road debris. Black Splash Guards feature Silver Neon logo on rear.

11 VINYL HOOD COVER

Black Vinyl Hood Cover provides hood edge protection from gravel and road debris.

12 DIAGONAL STYLE SKI CARRIER

Carries up to five pairs of skis. Attaches easily without tools to Mopar Permanent Mount Roof Rack. Locks incorporated for extra security. Specially designed for skis with brakes.

13 REAR SPOILER

Sleek styling, prepainted to match body color for a sporty look.

14 AM STEREO[®]/FM STEREO RADIO WITH CASSETTE PLAYER, COMPACT DISC PLAYER AND GRAPHIC EQUALIZER (RAZ)

The ultimate sound system for Plymouth Neon. Plays both CDs and cassettes in one radio. Radio has 62 watts¹ of total maximum power and is electronically tuned with 10 AM and 10 FM station memories, seek and scan, digital clock and joystick balance/fader speaker control. Cassette comes complete with soft touch controls, Dolby B² Noise Reduction, auto reverse, fast forward and rewind. CD playback is designed to virtually eliminate skipping and features seek/skip toggle, scan, fast forward/reverse and random play.

15 AM/FM STEREO RADIO WITH COMPACT DISC PLAYER (ABG)

Radio features include 10 AM and 10 FM station memories, separate bass and treble controls and digital clock. The CD Player features fast forward/reverse and bidirectional seek.

16 AM/FM STEREO RADIO WITH CASSETTE AND INTEGRATED CD CHANGER CONTROLS (ABS)

Allows you to play cassettes and control the optional Mopar CD Changer from the radio faceplate. Radio has 48 watts¹ of total maximum power and includes 12 AM and 12 FM station memories, joystick balance/fader speaker control and Dolby B² Noise Reduction. Soft touch tape deck features automatic tape head cleaning. Easy to use CD Changer Controls are on the radio face, featuring direct disc selection, fast forward/reverse and seek.

See your Plymouth dealer for information on the complete line of Mopar audio system products.

¹Some AM stereo broadcasting may not be compatible with this radio.

²At 3% Total Harmonic Distortion — ensure comparisons are equal.

³Dolby B is a registered trademark of Dolby Laboratories.

17

17 REMOTE KEYLESS ENTRY SYSTEM

A full feature remote, radio frequency controlled system designed to lock/unlock doors (requires optional power door locks) and turn on interior lights. Complete with two transmitters.

19

18 EVS II[®] SECURITY SYSTEM

Engineered exclusively for Plymouth Neon. Electronic starter disable feature prevents thieves from starting and operating your vehicle; shock sensor detects theft or vandalism; remote arm/disarm and door lock/unlock (requires optional power door locks) includes ignition-on triggered door locks. Completely automatic and may qualify for available insurance discounts (check local regulations). Includes an instrument panel LED readout, valet override, panic button, passive rearming and two transmitters.

EVS II is a registered trademark of Chrysler Corporation.

19 EVS II[®] SECURITY PLUS

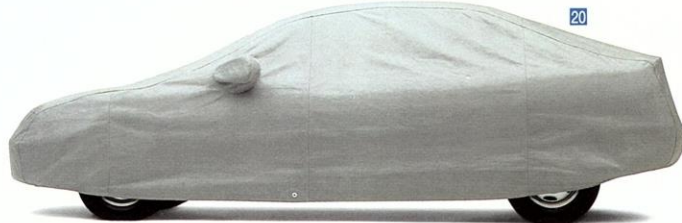

Adds the starter interrupt, shock sensor, siren and other alarm benefits of an EVS II[®] Security System to vehicles equipped with the convenience of original equipment Keyless Entry.

EVS II is a registered trademark of Chrysler Corporation.

20 VEHICLE COVER

Custom contoured, double stitched with an elastic bottom. Helps protect finish from sun, dirt and pollutants. Tough, quality Evolution[®] fabric is durable and cleans easily. Includes mirror pockets, license plate "window," and antenna grommet.

Evolution is a registered trademark of Kimberly-Clark Corporation.

21

21 Six Disc CD CHANGER

Allows you to play hours of music for uninterrupted enjoyment. Mounts in trunk for added security. Silicone damping system ensures precise tracking while eliminating skips. Uses either wired, lighted handheld control (21A) or can be operated with integrated AM/FM Stereo Cassette Radio with CD Changer Controls.

22 24

24 MOLDED CARGO TRAY

Black thermoplastic rubber tray is form fit to rear cargo area to provide a clean and convenient storage space. Skid resistant floor helps reduce cargo movement. Removes easily for cleaning.

22 CARGO NET

Vertical Black nylon net fastens securely to keep cargo divided and reduce sliding. Removes easily for cleaning.

23 ENVELOPE STYLE CARGO NET (Not Shown)

Black nylon net fastens securely to inner panels to keep cargo contained and reduce sliding. Mounts easily in vertical position to maximize cargo carrying.

24

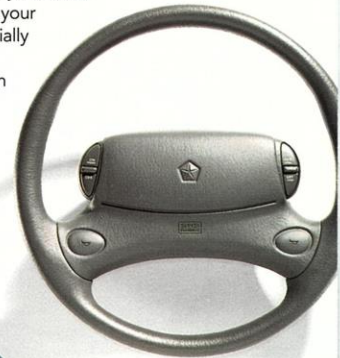

25

25 CARPET FLOOR MATS

Original equipment Carpet Floor Mats are color coordinated to match vehicle interior and display multicolored embroidered Neon logo. Nibbed backing helps keep mats in place. Available in pairs for front and rear.

26 SPEED CONTROL

Mopar Speed Control systems are designed to maximize your driving comfort, especially on long trips. Includes easy to use pushbutton resume, acceleration, set and deceleration controls. Identical to original equipment.

26

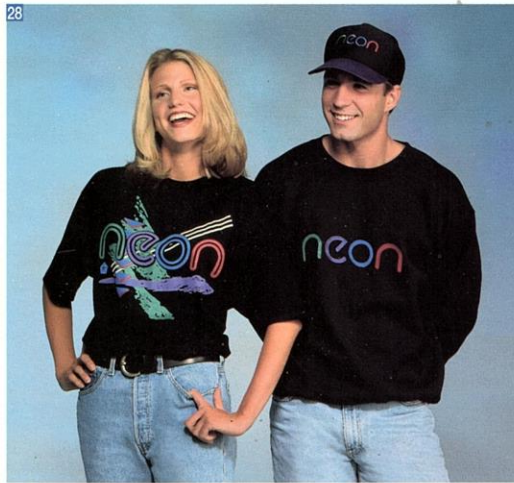

3 4 9 27

27 DECK LID RACK

Rack with matte Black finish is uniquely styled to complement Neon and add a distinctive touch, whether carrying extra weekend luggage or simply as an accent.

Show your true colors with Mopar

28 CHRYSLER CORPORATION SPORTSWEAR FROM MOPAR

The items shown (Black Neon T-Shirt, Black Neon Sweatshirt and Black Neon Cap) are part of a full line of comfortable sportswear from Mopar. To purchase sportswear or receive a catalog showing the entire line, colors and sizes, see your Plymouth dealer.

29 LOCKING GAS CAP

Protects against theft or malicious contamination of fuel. Sturdy, Black original equipment style construction. Two keys provided.

30 WHEEL LOCK SETS

Locks protect against wheel and tire theft. Exclusive Mopar key codes ensure maximum protection and serviceability. Available for both steel and aluminum wheels.

31 ENGINE BLOCK HEATER (Not Shown)

Keeps vehicle's engine ready to go, even in subzero weather. Heating element installs in the engine block and uses standard 110 to 120 volt outlet.

32 TOUCH UP PAINT

Exact match to the original factory colors. Available in 1/2 oz brush applicator and 5 oz spray.

33 VEHICLE CARE KIT

Mopar offers a kit to keep your vehicle looking great. This kit includes car wash liquid, glass cleaner, leather, rubber and vinyl protector, and a wax treated polishing cloth.

34 MOPAR FOG LIGHTS*

Get more visibility than with ordinary lights. Light beams undercut inclement weather and minimize glare. Rugged housings of Black plastic, Black metal, chrome and stainless steel available.

*Check state and local regulations for restrictions on installation and use of Fog Lights.

35 DOOR EDGE GUARDS (Not Shown)

Black vinyl laminated stainless steel guards are custom fit to protect against chipped paint on door edges.

Since the time of printing, some of the information you'll find in this catalog may have been updated. The appearance of the accessories shown may vary depending on vehicle application. See your dealer for the latest Mopar product information.
