HOW TO USE THIS DATABOOK

Mopar's 2004 Fall Databook contains the most up-to-date descriptions, photos, and part numbers of all 2003 and 2004 Mopar Accessories. It is designed and organized to allow you to quickly find the Mopar Accessories and part numbers you need to fulfill your dealership and customer needs.

The 2004 Fall Databook is organized by the following vehicle categories: **Jeep®**, **Family Vehicle**, **Passenger Car**, and **Truck**. Within these vehicle categories, Mopar Accessories are alphabetized from A-Z by the **type** of accessory, not the style.

We have included a CD-ROM that contains a PDF version (Adobe read-only document) of the 2004 Fall Databook that can be **saved** to your desktop. This document is searchable by either part number or keyword.

To **save** the PDF to your desktop, load the 2004 Fall Databook CD-ROM. Right click on the icon. While holding your mouse down, drag the icon out of the window and to an area on your desktop. Release the mouse button. You will be able to reference the PDF anytime without loading the CD-ROM.

To **view** the PDF, double click on the icon. Scroll down until you find the vehicle section you would like to search (i.e. Jeep, Family Vehicle, Passenger Car, or Truck). Press "Control" and "F" at the same time or pull down the edit menu and select "**Find**". Either way, a box will appear that allows you several search options.

Type in the part number or the Key Word you are searching for and left click on "**Find**". The Adobe Finder will locate and highlight the first occurrence of the key word or part number that you entered.

For example, if you are looking for Molded Running Boards for Dodge Trucks, scroll down to the Truck section. Press "**Control + F**" then type "Running Boards" in the box that appears. Left click on "**Find**". Adobe will find the page and highlight the first occurrence of Running Boards. Scroll to find "Running Boards-Molded".

Additionally, hotlinks in the Table of Contents and the Part Number Index have been incorporated into the PDF. Using your mouse, move the pointer (a hand) over the item or page number. When the hand changes to a pointed finger, left click the mouse, and you be linked to that page.

We hope this format and CD-ROM will make it easier than ever to locate and order Mopar Accessories for your Chrysler, Dodge or Jeep vehicles.

As part of the DaimlerChrysler family, Mopar makes Original Equipment parts and accessories for Chrysler, Dodge and Jeep® vehicles. This means that a DaimlerChrysler engineering team has created the accessories featured in this publication utilizing the original designs and specifications. The result? Mopar Accessories that meet a higher standard than aftermarket accessories. Accessories with not just

THE MOPAR DIFFERENCE

an attention to detail, but a dedication to detail. It's this level of detail and thought that creates accessories with a real Mopar Difference. A difference in fit. In

engineering. In testing. In materials. In safety standards. Even a difference in the way Mopar Accessories are designed to install on the vehicles. In short, it's a Mopar Difference in each of the accessories featured on these pages, that you'll recognize — and appreciate — for years down the road.

Materials Testing
Design Installation
Fit Safety

Mopar **Rear Spoilers** must pass many rigorous tests to ensure that they maintain their good looks and do not adversely affect the performance of the vehicle. Testing under extreme hot and cold temperatures checks the Rear Spoilers' ability to withstand severe conditions without cracking. Weather-resistance tests ensure that the spoiler will maintain its premium finish in any climate. Pull tests help ensure that spoilers won't loosen or vibrate.

Several other tests make certain that the weight of the spoiler does not affect normal deck lid operation, or compromise the integrity of the deck lid's hinges, latches and lock. Mopar Rear Spoilers, like all Mopar Accessories, are designed and tested for a seamless integration with DaimlerChrysler vehicles.

Mopar **Brush Guards and Grille Guards** are designed using advanced engineering software that allows engineers to exactly match the front end of any Dodge truck. However, it's more than a perfect fit. Mopar Deluxe Tubular Brush Guards and Grille Guards feature injection-molded ABS plastic components that ensure sturdy construction and a blemish-free surface.

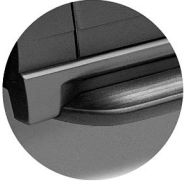

Tubular Brush and Grille Guards are fashioned from heavy-gauge steel, then formed with an advanced mandrel tube-bending technology for a wrinkle-free appearance. The chroming process then includes more nickel to help prevent rust and finish cloudiness.

Electronic Accessories from Mopar are designed, and thoroughly tested, to guarantee compatibility with DaimlerChrysler electrical systems. Whether you upgrade your audio system or add a security or navigation system, DaimlerChrysler testing facilities

help ensure that negative effects from outside interference — such as commercial radio antennas and microwave towers — are almost non-existent. Testing also helps ensure that Mopar Electronic Accessories will not interfere with your other electrical or computer systems. In addition, unlike with some other accessories on the market, Mopar Electronic Accessories also meet DaimlerChrysler standards for current draw, so they won't draw down the vehicle's battery under normal conditions. You can be assured that, even with several Mopar Electronic Accessories, lamps won't dim and engines won't stumble or stall.

Each Mopar **Running Board**, made to fit Minivans, Jeep® vehicles or Dodge Trucks exactly, is constructed of a sturdy roll-formed steel substructure which passed stringent dynamic and static load test.

That means it'll stand up to daily use from heavy loads and minor impacts, and it'll look good for years to come. The high-impact-resistant plastic cladding that covers Mopar Running Boards also improves durability — and won't shatter, as fiberglass designs might. In addition, the cladding helps guard against chipping, fading and cracking. Even the step surfaces feature a slip-resistant material. Furthermore, paint is not just a close match — it's an exact factory-matched color.

Mopar **Racks and Carriers** are designed and built to strict Dodge, Chrysler or Jeep specifications. This more demanding standard is ensured through access to DaimlerChrysler laboratories and testing sites — facilities not available to aftermarket accessory manufacturers.

All Mopar Racks and Carriers are subjected to a series of demanding tests before they are offered. Mopar utilizes the DaimlerChrysler Proving Grounds to measure the durability in extreme conditions. Harsh road tests measure the component interaction and part durability on the vehicle. We use wind-tunnel testing to minimize noise and vibration, as well as fit and function to ensure damage-free installation and use on every vehicle. In addition, Mopar Racks undergo strenuous tests in which the racks are loaded to maximum capacity and then subjected to an extreme forward force to simulate a hard stop; an angular force to simulate a sharp vehicle turn; and a severe upward pull to test air resistance at high speeds. In addition, each rack and carrier is custom designed to provide a tight, vibration-free fit — unlike many "universal fit" accessories available.

Mopar **Wheels** feature tough, cast aluminum construction and are specifically designed for an exact fit on Chrysler, Dodge or Jeep vehicles' wheel hubs — unlike "universal fit" wheels, which mount on the wheel studs.

This exact fit means wheels that turn true, which translates into less vehicle vibration and a smoother ride. Every Mopar Wheel is also designed to be used with existing chrome lug nuts and standard wheel weights. In addition, the surface of both painted and polished wheels is glazed with a Clear Coat finish that requires only a normal washing effort — no tedious repolishing on a regular basis to maintain their like-new appearance, as with some other types of wheels. To help ensure everyone's safety, each Mopar Wheel also undergoes stringent DaimlerChrysler testing, and must pass many other tests — including a simulated curb-impact test — to meet demanding fit, performance and durability standards.

Mopar offers several **Tubular Products** for Dodge Trucks and Jeep vehicles: Front and Rear Bumpers, Grille Guards, Brush Guards, Side Steps and Light Bars. All are designed to blend perfectly with the unique lines of the vehicle, and are available in a variety of finishes.

Mopar tubular products are fashioned from heavy-gauge steel or aluminum, then formed with an advanced mandrel tube-bending technology for a clean, wrinkle-free appearance. These tubular products are designed to enhance the appearance of Dodge Trucks and Jeep vehicles while resisting road debris and inclement weather conditions without chipping, corroding, pitting or scratching. All mounting hardware meets DaimlerChrysler Materials Standards for corrosion protection.

MOPAR MERCHANDISING MATERIALS THROUGH GOP

- For speed and convenience, Mopar Merchandising Materials on this Order Form can be ordered through GOP.
- Order materials direct from Mopar as you need them. Input your order as you would a normal weekly stock order or a Daily or Special Handling parts order.
- Increase sales and profits with Mopar Merchandising Support Materials.

NOTE: Your parts account will be billed for any chargeable items.

Jeep, EVS II and Master Shield are trademarks of DaimlerChrysler.

IMPRINTED TIRE COVER PROGRAM

MOPAR IMPRINTED TIRE COVER PROGRAM INSTRUCTIONS

- Available in one- or three-color letter imprint
 - Fits Wrangler tire sizes P215–225 X R15 GSA & Liberty P215/75R16
 - Economy cover also available to fit Wrangler LT30X9.5 & Liberty P235/70R16
- The following tire covers are available for dealership imprints, with your design

One-color design — ink color — pick one							Tire Covers with Dealer One-color Imprint					
Black	White	Yellow	Red	Magenta	Blue	Green	Tire Size	Color	Vinyl Finish	Part Number	Dir Net (per piece)	Ord Qty (Min 25 per Part #)
							215-225 x 15 P215/75R16	Black	Leather	82203735	\$20.00	
							LT 30 x 9.50 P235/70R16	Black	Leather	82203376	\$30.00	
							215-225 x 15 P215/75R16	Black	Denim	82203736	\$30.00	
							LT 30 x 9.50	Black	Denim	82207618	\$37.00	
							215/225 x 15	White	Denim			
							215/225 x 15 P215/75R16	Spice	Denim	82203743	\$33.50	

Prices listed are for printed tire covers only. Artwork, separation, and screen charges listed on the last page.

DEALER INSTRUCTIONS (ORDERS OF 1-24 PIECES IN ANY PART NUMBER WILL NOT BE ACCEPTED. PLEASE ORDER IN MULTIPLES OF 5):

1. Select one- or three-color imprinting
2. Select ink color(s) for your design.

NOTE: For three-color design, indicate color(s) for each word and object on artwork supplied

3. Fill in order quantity (minimum of 25 per part number)
4. Sign this page at bottom
5. Fill in information form on the last page
6. Using part numbers listed, place order on DIAL
7. Send a copy of this worksheet and any artwork or separations to:

American Stitchco, Inc.
 4662 Hwy. 62 West
 Mountain Home, AR 72653
 Attn: Chuck Abel
 Phone No: 1-800-903-5667 Fax No. 870-425-4900

Call 1-800-903-5557 Regarding Program Questions, Delivery Time and Status of Order.

Artwork May be on File. Check by Calling Number Above.

DEALER MARKETING

AUTHORIZED DEALER

PLEASE FILL OUT THE TIRE COVER ORDER FORM COMPLETELY

NOTE: For replenishment orders, you need only place your order through DIAL. New artwork is not required unless your dealership has decided to change its tire cover design.

DESIGN YOUR OWN TIRE COVER

Silkscreen Artwork Instructions:

- Create text and art in a circle (see figure at right)
- Ensure that you have included all punctuation and that your spelling and abbreviations are correct
- Place any registered logos, if desired (Chrysler, Jeep)
- Indicate desired color(s) for one- or three-color silkscreen
- Only part numbers listed on this order form can be used for the dealer tire cover program
- Send artwork on disk (with hard copy) or separations with completed copy of order form to:

American Stitchco, Inc.
 4662 Hwy. 62 West
 Mountain Home, AR 72653
 Attn: Chuck Abel
 Phone No: 1-800-903-5667 Fax No. 870-425-4900

- If you have no artwork or just an idea, just mail or fax completed order form, with sketch or description of your idea, to the address above. Let our full-service graphic arts department help in the completion of your order. For prices on artwork, separations and screens refer to the chart below. Artwork, separation, and screen charges are to be paid in advance of order completion and will be billed directly to your dealership. These are one-time charges, unless you change your design after the completion of this order.

ARTWORK AND SILKSCREEN CHARGES			
SERVICE	DESCRIPTION	COST	NOTE
Artwork	Artwork, if provided, must be vector based, e-mail to cabel@stitchco.com or mailed on a 3.5 computer floppy disk or CD (with hard copy included). Acceptable file extensions are: .ai, .eps, .cdr. No bitmaps.	\$60.00	Send us a fax of your idea for tire cover artwork and we will be glad to give you a quote.
Film Separations	Film positives with good resolution and density at the same size that will appear on the tire cover. Multi-color separations need to have ample amount of trap on preceding orders.	\$60.00	Usefulness of customer-provided separations will be determined by the vendor.
Screen Rental & Exposure	Extensive variables in screen production, such as mesh count, frame size, emulsion type, and mesh tension, prohibit the usage of customer-provided screens.	\$20.00 per screen	This cost includes screen stretch, coating, exposure, and maintenance.

MOPAR PARTS & ACCESSORIES LIMITED WARRANTIES

I. WHAT IS WARRANTED

1. MOPAR ACCESSORIES AND AIR CONDITIONING AND AUDIO PRODUCTS SYSTEMS LIMITED WARRANTY

MOPAR Accessories, Audio Products and Electronic Accessories installed on a Chrysler, Jeep or Dodge vehicle by an authorized Chrysler, Jeep or Dodge dealer are covered either by the 12-month/12,000-mile MOPAR Basic Limited Warranty above, or by the remainder of the 3-year/36,000-mile Basic New Vehicle Limited Warranty, whichever is more favorable to the customer.

2. MOPAR PARTS BASIC 12-MONTH/12,000-MILE WARRANTY

- a. Except as listed above, MOPAR parts **sold over the counter or wholesaled** are warranted against defects in workmanship or materials for 12 months/unlimited mileage for parts (exchange) only. Parts installed on a Chrysler, Jeep® or Dodge vehicle by an authorized Chrysler, Jeep or Dodge dealer are warranted for 12 months/12,000 miles for both parts and labor, or for 12 months/unlimited mileage for parts (exchange) only, whichever is more favorable to the customer.
- b. 12-month/12,000-mile MOPAR Basic Limited Warranty covers the cost of towing a vehicle to the nearest authorized Chrysler, Jeep or Dodge dealer if the failure of a covered part causes the vehicle to be inoperative.
- c. If a MOPAR part is installed in a Chrysler, Jeep or Dodge vehicle by an authorized Chrysler, Jeep or Dodge dealer, and if, while that part is still under warranty, it causes other parts to be damaged or to fail, those other parts will be repaired or replaced under warranty, regardless of whether the other parts were covered by a DaimlerChrysler Motors Corporation warranty at the time of failure. A MOPAR part used to replace a failed MOPAR part that is still under warranty is covered **ONLY** for the remainder of the replacement part's existing warranty.
- d. MOPAR Gaskets and Seals are sold "AS IS" without warranty of any kind.
- e. MOPAR Performance Parts (shown by a MOPAR part number beginning with the letter "P") are sold "AS IS" without warranty of any kind by Mopar.

3. MASTER SHIELD® RUST PROTECTION LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Rust Protection treatment is warranted for the registered lifetime of the new vehicle, provided that the:

- vehicle does not exceed 11,000-lb gross vehicle weight
- Master Shield treatment was properly applied within three months of the new vehicle's original in-service date

DaimlerChrysler Motors Corporation warrants that if any part of a new vehicle properly treated with Master Shield Rust Protection rusts through (is perforated from inside out), DaimlerChrysler will repair and/or replace the damaged part(s) at no charge, up to a cumulative limit of \$2,000 in combined parts and labor costs per vehicle.

NOTE: This warranty does NOT apply to surface or cosmetic rust; rust caused by external damage from dents, scratches, chipped paint or surface rust resulting from other internal cavity perforation; wear and tear from normal driving; vehicles not continuously registered for road use; vehicle manufacturer's defects; the vehicle's exhaust system; vehicle's floor pans load area of commercial vehicles; pickup truck bed areas; defects covered by a dealer's or manufacturer's New Vehicle Limited Warranties; or vehicles not inspected as required by Master Shield Rust Protection Procedures and Warranty book. Only the selling dealer may validate a Master Shield warranty.

4. MASTER SHIELD PAINT SEALANT LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Paint Sealant treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- the Master Shield sealant was properly applied within 60 days of the vehicle's original in-service date
- damage to the exterior finish is reported immediately to a participating Master Shield dealer, who follows the proper claims-processing procedure

DaimlerChrysler Motors Corporation warrants to the first registered owner of a treated vehicle that if, within three years of the sealant's application on any properly-treated exterior finish, the vehicle is damaged by weather-induced discoloration, loss of gloss or fading, DaimlerChrysler Motors Corporation will repair and retreat the damaged area(s) free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is prior authorized by DaimlerChrysler Motors Corporation. This warranty is not transferable.

NOTE: This warranty does NOT apply to damage caused by owner negligence, carelessness or failure to use prescribed maintenance steps; damage caused by collision, fire, stone, or similar objects causing a break or puncture of the sealant; damage from acid rain, smog, industrial fallout, or paints coming in contact with vehicle's surface paint; or damage caused by any modification or alteration to the vehicle's surface.

5. MASTER SHIELD® FABRIC PROTECTOR LIMITED WARRANTY (NEW VEHICLES ONLY)

The Master Shield Fabric Protector treatment is warranted to the first registered owner only, for a period of three years from the date of its application to the vehicle, provided that:

- the Master Shield treatment was properly applied within 30 days of the new vehicle's original in-service date
- the vehicle was at no time in commercial use
- any damage to the interior cloth or velour surfaces is inspected by a participating Master Shield dealer and a representative of the Warranty Record Center

DaimlerChrysler Motors Corporation warrants that if any interior cloth or velour surface treated with Master Shield Fabric Protector becomes permanently stained from water, coffee, soda, milk or similar liquids, DaimlerChrysler Motors Corporation will clean and re-treat the damaged surfaces free of charge, provided that the vehicle is first inspected by a participating Master Shield dealer and is previously authorized by DaimlerChrysler Motors Corporation. This warranty is not transferable.

NOTE: This warranty does NOT apply to vehicles used for commercial purposes (except Gold Key Lease[®] Vehicles); to carpets or floor mats; to damage caused by defects in the material or workmanship of the cloths used; to damage caused by owner negligence, carelessness or improper maintenance; or to damage caused by acid, dye, ink, bleach, gums, paints, lubricants, or caustic or corrosive materials.

6. MASTER SHIELD LIMITED WARRANTY (WISCONSIN)

These conditions are applicable to the Master Shield Limited Warranty issued in Wisconsin and supersede anything inconsistent in the standard warranty language found on the following pages. All other standard warranty terms and conditions herein contained apply. All other standard warranty terms and conditions herein contained apply.

The Master Shield Limited Warranty is a two-year warranty renewable for the life of the vehicle if the required free inspections are made. Registration of the warranty is not a condition precedent to your limited warranty coverage nor are manufacturer defects excluded, except for such defects that would be covered under the DaimlerChrysler Corporation new vehicle warranty.

Chrysler Insurance Company, 27777 Franklin Road, Southfield, MI 48034, provides Master Shield with product guarantee legal liability insurance. The warrantor is DaimlerChrysler Corporation, 26311 Lawrence Avenue, Center Line, MI 48015.

For warranty information, claims and adjustments, contact the selling dealer or any participating Master Shield dealer. If dealer is not available, contact 1-800-776-7556.

7. MOPAR BEDLINER LIFETIME LIMITED WARRANTIES

MOPAR replacement Mufflers, Shocks, Struts, and Pickup Truck Bed Liners sold by an authorized Chrysler, Jeep[®] or Dodge Dealer are warranted against defects in workmanship or materials for the lifetime of the vehicle on which they are installed. This warranty is given only to the original retail purchaser, and is not transferable.

II. HOW TO OBTAIN MOPAR WARRANTY SERVICE

Where both parts and labor are covered warranty items, repairs will be made by any Chrysler, Jeep[®] or Dodge dealer at no charge. Where parts only are covered, any Chrysler, Jeep or Dodge dealer will provide replacement parts at no charge. It is recommended that you take your Chrysler, Jeep or Dodge vehicle to your selling dealer or to the dealer who sold or installed your MOPAR part or accessory. However, you may obtain replacement parts or service under warranty from any authorized Chrysler, Jeep or Dodge dealer. Except in an emergency, warranty service for MOPAR Panels may be obtained ONLY at an authorized Chrysler, Jeep or Dodge dealer.

III. WHAT IS NOT COVERED

MOPAR warranties do not cover any non-DaimlerChrysler Corporation or non-MOPAR parts, components or equipment, such as a non-MOPAR radio or speed control. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of non-DaimlerChrysler Corporation or non-MOPAR parts, equipment, materials or additives.

MOPAR warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence, or misuse (for example, driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which they are installed; or corrosion or damage caused by the use of caustic materials.

MOPAR limited warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

MOPAR limited warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owner's Manual.

MOPAR warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

MOPAR warranties do not apply to parts installed on a vehicle, that has had its odometer or emissions systems tampered with or disconnected, or that has been declared to be a total loss by any insurance company, or is rebuilt after being declared to be a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. DaimlerChrysler Motors Corporation will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in the above paragraph.

MOPAR Limited Warranties do NOT cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by DaimlerChrysler Motors Corporation, as set forth in the New Vehicle Limited Warranty. If your new vehicle limited warranty is restricted by DaimlerChrysler Motors Corporation, coverage under your MOPAR Parts and Accessories Limited Warranties may also be restricted or denied.

IV. OTHER TERMS

- a. To the extent allowed by law, any implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the duration of these express warranties. To the extent allowed by law, if the parts are installed on a vehicle used primarily for business or commercial purposes, no implied warranties apply. **Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.**
- b. These warranties are the only express warranties made by DaimlerChrysler Motors Corporation for MOPAR Parts and Accessories. Except where prohibited by law, this warranty is the sole and exclusive remedy.
- c. NO person, including a dealer or employee of DaimlerChrysler Corporation or DaimlerChrysler Motors Corporation, has the authority to vary or change these warranties.
- d. Michigan law governs this warranty to the extent allowed by law. Interpretation of the terms of this warranty must be done using Michigan law.
- e. **These limited warranties give you specific legal rights and you may also have other rights which vary from state to state.**

NOTE: NOTE TO DEALER:

MOPAR WARRANTY REGISTRATION AND REPLACEMENT PROCEDURES

The Dealer must notify DaimlerChrysler Corporation whenever you install a MOPAR Air Conditioning system, Radio, Speed Control unit, Master Shield ®, EVS ® unit, or a MOPAR Accessory. Transmit the vehicle option update information through your DIAL Main Screen. Choose Option 14, Vehicle Information Plus (VIP), following the procedures outlined in your DIAL Dealer's Manual.

ATTENTION INTERNATIONAL DEALERS AND DISTRIBUTORS:

- 1. The accessories in this Quick Reference Guide were designed, engineered and approved for use in the United States, Canada and Mexico and may not comply fully with regulations in your country. Before ordering these accessories, please confirm that they meet all local regulations.
- 2. Special discounts, display items, promotional offers and supplier ship direct (SSD) shipments apply only to the United States, Canada and Mexico.

ADD-A-TRUNK

Add-A-Trunk helps keep your valuables out of sight and secure. Fastens in the rear cargo area to form a mini-trunk with the lockable tailgate, creating three cubic feet of lockable trunk space. Add-A-Trunk works best on vehicles with carpeting and is not for use with the Sound Deck Subwoofer.

AIR DEFLECTORS, REAR

Mopar's Rear Air Deflector mounts on the rear liftgate to help keep the rear window cleaner. By directing a steady stream of air across the back of the vehicle while in motion, dirt and grime flows past the glass without settling. The attractive tinted deflector is made of shatter-resistant acrylic plastic.

AUDIO, RADIOS – RB1 AM/FM NAVIGATION, CD, DVD WITH CD CHANGER CONTROLS

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

AUDIO, SIRIUS SATELLITE RADIO SYSTEM

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. Activation is free; a monthly service fee will apply.

CELLULAR SYSTEMS, UCONNECT HANDS FREE

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system that uses a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. UConnect is simple. All you need is a Bluetooth Hands-Free Profile wireless phone from any service provider including AT&T Wireless.

LOCKS, WHEEL

Exclusive Mopar key codes helps ensure maximum protection. Available in one- and two-piece styles, for both steel and aluminum wheels. Each Wheel Lock kit includes four or five chrome-plated locking nuts, and one exclusive Mopar key. Wheel Lock kits help protect against wheel and tire theft and are a lightweight design that does not effect wheel balance.

NAVIGATION SYSTEM

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

SIDE STEPS, TUBULAR

Premium Tubular Side Steps are constructed of lightweight anodized aluminum or powder-coated steel. True Tubular Side Steps are mandrel bent to ensure the steps maintain a consistent diameter and a full round appearance. Premium Side Steps include molded end caps to accent your vehicles styling. Both Premium and True Tube Side Steps provide wide skid-resistant stepping surfaces for easy vehicle entry and exit.

TOWN & COUNTRY
CARAVAN
PACIFICA

Family Vehicle

AIR DEFLECTORS, FRONT

Front Air Deflectors feature a wraparound style that creates an air stream to help direct bugs and other road debris up and away from the hood and windshield without adversely affecting wiper or washer operation. Constructed of shatter-resistant polymers and custom molded to complement front end styling.

Minivan

AIR DEFLECTORS, REAR

Mopar's Rear Air Deflector mounts on the rear liftgate to help keep the rear window cleaner. By directing a steady stream of air across the back of the vehicle while in motion, dirt and grime flows past the glass without settling. The attractive tinted deflector is made of shatter-resistant acrylic plastic.

AUDIO, RADIOS – RB1 AM/FM NAVIGATION, CD, DVD WITH CD CHANGER CONTROLS

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

AUDIO, SIRIUS SATELLITE RADIO SYSTEM

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. Activation is free; a monthly service fee will apply.

CELLULAR SYSTEMS, UCONNECT HANDS FREE

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system that uses a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. UConnect is simple. All you need is a Bluetooth Hands-Free Profile wireless phone from any service provider including AT&T Wireless.

NAVIGATION SYSTEM

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

(12) If customer pay, order PN 5012164AA for EVS base module, order PN 4883257 for EVS II module, PN 5011619AA for EVS II Security Plus Module, PN 4883255 for Keyless Entry and PN 82203198 for siren.

(13) EVS, EVS II and IT-s are registered trademarks of DaimlerChrysler. If vehicle is under warranty and a replacement module or siren is needed, call (800) 34-MOPAR. Have EMCR and vehicle information ready.

SECURITY, EVS II INTERIOR THEFT SENSOR (IT-S)

The Interior Theft Sensor (IT-s) is designed for vehicles with a security system. IT-s uses infrared technology to protect the contents of your vehicle. Factory installed Security Systems guard against vehicle theft; IT-s guards against tampering, towing, theft of parts, accessories and the contents. False alarms are virtually eliminated through infrared technology.

AUDIO, RADIOS – RB1 AM/FM NAVIGATION, CD, DVD WITH CD CHANGER CONTROLS

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

AUDIO, SIRIUS SATELLITE RADIO SYSTEM

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. Activation is free; a monthly service fee will apply.

CELLULAR SYSTEMS, UCONNECT HANDS FREE

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system that uses a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. UConnect is simple. All you need is a Bluetooth Hands-Free Profile wireless phone from any service provider including AT&T Wireless.

NAVIGATION SYSTEM

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

RACKS & CARRIERS, ROOF BOX CARGO CARRIER

This Roof Box Luggage Carrier adds additional cargo space to your vehicle with this tough, lockable, thermoplastic carrier that keeps cargo dry and secure regardless of the weather. It features a gas cylinder opening system that allows the hinged lid to open and close gently. Aerodynamic design limits wind resistance and provides sleek styling, perfect for luggage and sports equipment. Carrier attaches to production Roof Rack Cross Rails if so equipped. If not, Sport-Utility Bars or Removeable Roof Rack (all sold separately) will be needed. Features Mopar logo.

SECURITY, EVS II INTERIOR THEFT SENSOR (IT-S)

The Interior Theft Sensor (IT-s) is designed for vehicles with a security system. IT-s uses infrared technology to protect the contents of your vehicle. Factory installed Security Systems guard against vehicle theft; IT-s guards against tampering, towing, theft of parts, accessories and the contents. False alarms are virtually eliminated through infrared technology.

SECURITY, EVS II PLUS SECURITY SYSTEM

EVS II Plus Security System turns your factory-installed keyless entry system into an advanced electronic security system. This system is for use on vehicles equipped with factory keyless entry, adding security features to your factory key fob. EVS II Plus features include a siren, flashing parking lights, dual stage shock sensor, starter interrupt and instrument panel warning light. The system arms and disarms through use of the Keyless Entry key fob. A wiring package is required for installation (PN 82206639 sold separately).

AIR DEFLECTORS, REAR

Mopar's Rear Air Deflector mounts on the rear liftgate to help keep the rear window cleaner. By directing a steady stream of air across the back of the vehicle while in motion, dirt and grime flows past the glass without settling. The attractive tinted deflector is made of shatter-resistant acrylic plastic.

AUDIO, RADIOS – RB1 AM/FM NAVIGATION, CD, DVD WITH CD CHANGER CONTROLS

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

AUDIO, SIRIUS SATELLITE RADIO SYSTEM

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. Activation is free; a monthly service fee will apply.

BED EXTENDER

Made of tubular aluminum, the Bed Extender attaches to the rear of the bed and pivots in and out of the bed. Flipped inward, it's a convenient divider to keep cargo from sliding to the front of the bed. Flipped outward, it extends the truck bed area of the tailgate, increasing the overall capacity of the bed.

CELLULAR SYSTEMS, UCONNECT HANDS FREE

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system that uses a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. UConnect is simple. All you need is a Bluetooth Hands-Free Profile wireless phone from any service provider including AT&T Wireless.

DIESEL EXHAUST BRAKES

Diesel Exhaust Brake for Cummins turbo diesel engines with Manual Transmission. An electronically controlled valve is placed in the exhaust system to generate backpressure, slowing your engine, drivetrain and vehicle. Brake helps save on brake pad and rotor life for up to three times longer and provides increased driving control, especially when towing and/or driving in hilly areas. Not for use with Automatic Transmission.

NAVIGATION SYSTEM

The Mopar Navigation Radio (RB1) combines a 4.9-inch full-color display, AM/FM stereo, CD Player and Navigation System that utilizes DVD technology, all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction, automatic re-route calculation, unique smart-spelling feature, extensive listings for point of interests and enough memory to store 100 personal addresses. Unit includes a geographic DVD with routing directions for the entire mapped United States and parts of Canada. The radio features 10 AM, 10 FM, and 10 Sirius Satellite Radio pre-sets. This system is Sirius Satellite Radio capable and displays station names, song title and artist. To obtain Sirius Satellite Radio a satellite receiver/antenna kit, installation kit and subscription to the Sirius service is required.

(12) If customer pay, order PN 5012164AA for EVS base module, order PN 4883257 for EVS II module, PN 5011619AA for EVS II Security Plus Module, PN 4883255 for Keyless Entry and PN 82203198 for siren.

(13) EVS, EVS II and IT-s are registered trademarks of DaimlerChrysler. If vehicle is under warranty and a replacement module or siren is needed, call (800) 34-MOPAR. Have EMCR and vehicle information ready.

SECURITY, EVS II INTERIOR THEFT SENSOR (IT-S)

The Interior Theft Sensor (IT-s) is designed for vehicles with a security system. IT-s uses infrared technology to protect the contents of your vehicle. Factory installed Security Systems guard against vehicle theft; IT-s guards against tampering, towing, theft of parts, accessories and the contents. False alarms are virtually eliminated through infrared technology.

SECURITY, EVS II PLUS SECURITY SYSTEM

EVS II Plus Security System turns your factory-installed keyless entry system into an advanced electronic security system. This system is for use on vehicles equipped with factory keyless entry, adding security features to your factory key fob. EVS II Plus features include a siren, flashing parking lights, dual stage shock sensor, starter interrupt and instrument panel warning light. The system arms and disarms through use of the Keyless Entry key fob. A wiring package is required for installation (PN 82206639 sold separately).

SECURITY, EVS II SECURITY SYSTEM WITH SENTRY KEY AND INTERIOR THEFT SENSOR

The EVS II Security System with Sentry Key and Interior Theft Sensor provides additional security features for your existing keyless entry transmitter, including remote arm/disarm, activation of instrument panel warning light and panic feature. The Sentry Key is electronically coded to prevent a thief from starting your vehicle, even if a correctly cut key is used. The Interior Theft Sensor helps protect vehicle contents and helps guard against theft of parts or accessories. Completekit (no wiring harness required).

SIDE STEPS, POWERED

Automatic powered side steps extend when door is opened and retracts when door is closed. Skid-resistant step surface provides traction when entering or exiting the truck. Powder-coated finish resists corrosion, pitting, peeling and scratches. Motor and control componets are protected from the elements by a weather tight house.

FOOTNOTES

- 1Check state and local restrictions on the installation and use.
- 2Evolution and Weathershield are registered trademark of Kimberly-Clark Corporation.
- 3Not for use with Over-The-Rail Bedliners.
- 4These products are designed to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident.
- 5Wrangler subwoofer cannot be installed with an Add-A-Trunk (either Mopar or Production style).
- 62002 applications requires power adapter (PN 82207599).
- 7Dealer will need to add Lock Tumbler to match ignition.
- 8These tire covers are tailored to be a tight fit; if a customer desires a slightly looser and easier installation, order next largest tire size cover.
- 9Cannot be used with front tow hooks or front hood air deflectors.
- 10Allow up to three weeks production/shipping time from date of order entry.
- 11.....Do not exceed roof capacity of vehicle.
- 12If customer pay, order PN 5012164AA for EVS base module, order PN 4883257 for EVS II module, PN 5011619AA for EVS II Security Plus Module, PN 4883255 for Keyless Entry and PN 82203198 for siren.
- 13EVS, EVS II and IT-s are registered trademarks of DaimlerChrysler. If vehicle is under warranty and a replacement module or siren is needed, call (800) 34-MOPAR. Have EMCR and vehicle information ready.
- 14Does not fit Overland package.
- 15Front Splash Guards cannot be used w/Side Steps or Running Boards.
- 16Cannot be installed with Mopar Grille or Brush Guards.
- 17Cannot be installed with Hitch Receiver.
- 18Per wheel.
- 19Trailer Tow Package recommended for Winch installation. Provides Heavy-Duty battery, alternator, shocks and springs recommended to support winch.
- 20Can only be installed in front position of SWB models. Available for both front and rear positions in LWB vehicles.
- 21Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle stated in Owner's Manual. May require other items not supplied by Mopar.
- 22If vehicle is not equipped with a Production Center Console, also order Console Base Kits; Navy Blue (PN 82206260), Sandstone (PN 82206261) and Taupe (PN 82206262).
- 23If 2002 RS DVD player needs service exchange, order PN Z5080685AA. If 2002 RS DVD 7" screen needs service exchange, order PN Z5080707AA. All other service parts available in catalog.
- 24Must order part number 04720928 for past model year vehicles from 1986 to 2001.
- 25Will fit all Minivans regardless of build date. For 2001 Minivans built before March 15, 2002 use (PN 8220634) for 2.4L and (PN 82206346) for 3.3L.
- 26Not for fleet use.
- 27To order, please call (800) OE-LINER.
- 28Use Mopar bed Tie-Downs in stake pockets to secure net.
- 29Not recommended for use with Ground Effects Package.
- 30Steering Wheel covers must also be ordered. For Black use (PN 05072977AA); for Dark Slate use (PN 05072978AA); for Taupe use (PN 05072979AA); for Sandstone use (PN 05072980AA).
- 311999-2002 Diesel only with automatic transmission. No manual transmission kit available.
- 32Front-end guards cannot be used with side steps or running boards.
- 33Mounting kit allow for four (4) lights to be installed.
- 34If RS VCR needs exchange order PN Z5080712AA. If RS 6.4" screen needs exchange order PN Z25072865AA. If NS VCR needs exchange order PN Z5017498AA. If NS 6.4" screen needs exchange order PN Z5017497AA. All other service parts available in catalog.
- 35Not for use with Audio Sales Code RCE, Infinity® System, or vehicles with steering wheel-mounted radio controls.
- 36If Durango DVD player needs service exchange order PN Z5080686AA. If Durango 7-inch screen needs service exchange, order PN Z5080710AA.
- 37If 2003 RS Mopar single disc DVD player needs exchange, order Z5093530AA, if factory single disc DVD player needs exchange, order Z5082005AA, for screen replacement, order Z5093868AA (w/o Sunroof or 05093869AA (w/ Sunroof).
- 38RB1 Navigation Radios requiring warranty service must be processed using the Z6038629AB Function 11 part number.
- 39Vehicles w/o production base plates must order console mounting kit listed above.
- 41Not recommended for off road use.
- 42Must order Audio System Adapter, 82208322 for Grand Cherokee's w/ a factory or Mopar CD Changer and a factory RB1 Navigation Radio.
- 43Complete consumer support: 877-855-8400
- 44To see Artist and Title, must order Audio System Adapter, 82208322 for Grand Cherokee w/ factory or Mopar CD Changer when installing a Sirius Satellite Radio.
- 45If vehicle is equipped with a production DVD Rear Seat Video option, replace production DVD player with Mopar "RF" DVD player PN 05093530AA.
- 46For vehicles built after March 1, 2003.
- 47This kit can only be installed when the vehicle is configured to a Soft Top model. The upper plastic door enclosure must be installed.
